

HUMAN RIGHTS AND VALUES

“ To deny people their human rights is to challenge their very humanity. - Nelson Mandela

QUESTIONS

1. What are Human Rights?
2. To what extent are Human Rights being practiced?
3. How are Human Rights being violated?

HUMAN RIGHTS are the basic rights and freedoms that belong to every person in the world, from birth until death.

1

SOCIAL PROBLEMS

Rights related to freedom of thought
are being violated.

UDHR SOCIAL VIOLATIONS

Article 18 [1]

“Everyone has the right to freedom of thought, conscience and religion; this right includes freedom to change his religion or belief, and freedom, either alone or in community with others and in public or private, to manifest his religion or belief in teaching, practice, worship and observance.”

France banning women from wearing a Hijab in public and in workplaces

Hare Krishna members having their homes destroyed and their temples threatened [3]

2

CIVIL PROBLEMS

Violation of rights concerned with civil safety being witnessed.

UDHR CIVIL VIOLATIONS

ARTICLE 5: [1]

“No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.”

Uighur genocide happening in china [2]

ARTICLE 13: [1]

“1. Everyone has the right to freedom of movement and residence within the borders of each state.
2. Everyone has the right to leave any country, including his own, and to return to his country.”

North Koreans denied access to leave their country and being tortured if they flee [4]

ARTICLE 20: [1]

“1. Everyone has the right to freedom of peaceful assembly and association.
2. No one may be compelled to belong to an association.”

Egypt arresting peaceful protesters and keeping them hostages, children included [5]

3

MEDICAL PROBLEMS

People being deprived of basic medical care.

ARTICLE 25 ^[1]

“Everyone has the right to a standard of living adequate for the health and well-being of himself and of his family, including food, clothing, housing and medical care and necessary social services, and the right to security in the event of unemployment, sickness, disability, widowhood, old age or other lack of livelihood in circumstances beyond his control.

Motherhood and childhood are entitled to special care and assistance. All children, whether born in or out of wedlock, shall enjoy the same social protection.”

Human rights protection, 2019

Our World
in Data

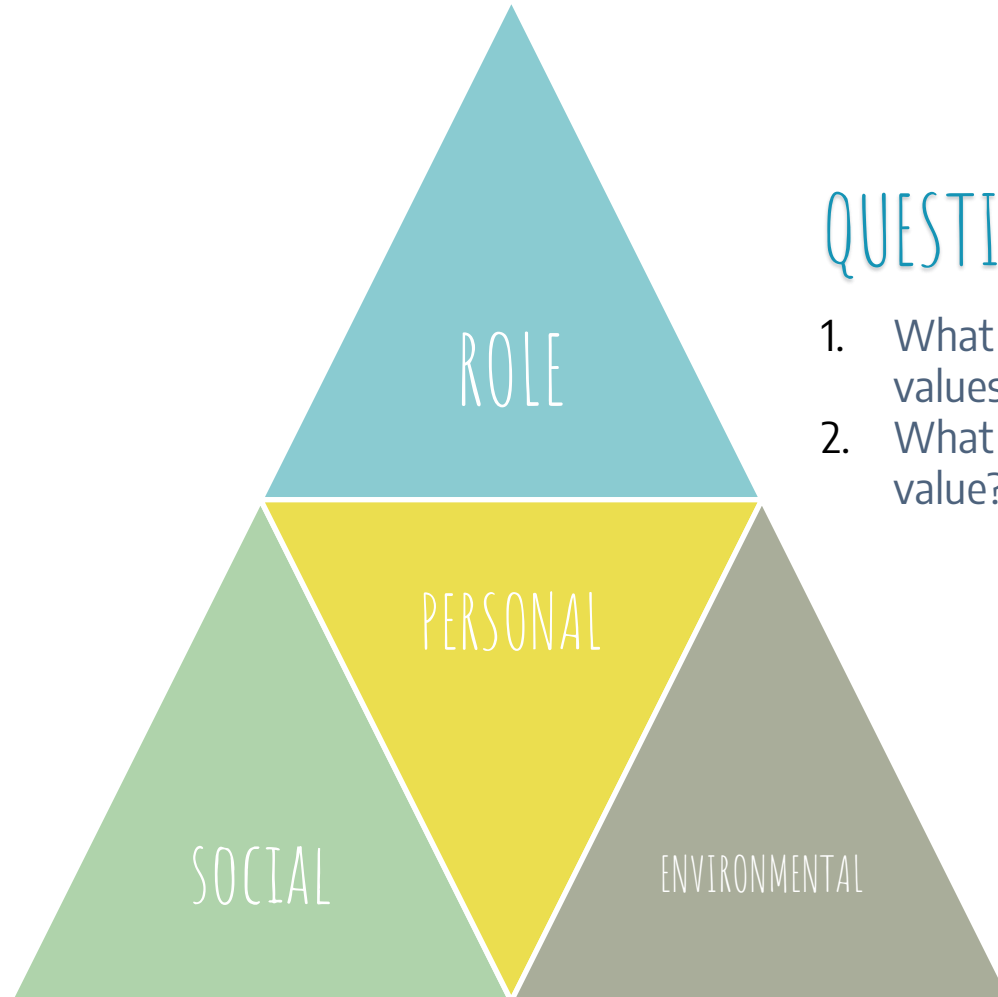

The scores capture the extent to which citizens' physical integrity is protected from government killings, torture, political imprisonments, extrajudicial executions, mass killings and disappearances. Higher scores mean fewer such abuses.

Source: Fariss et al. (2020)

Note: The scores are based on a statistical model that combines measures from several other sources.
