

# Human Rights

English Language

# Quotes:

Human rights means that each individual should be treated with respect, dignity and equality.

Tony Fernandes

quote fancy

"A world where governments are held accountable for their human rights violations will earn its place in the twenty-first century."

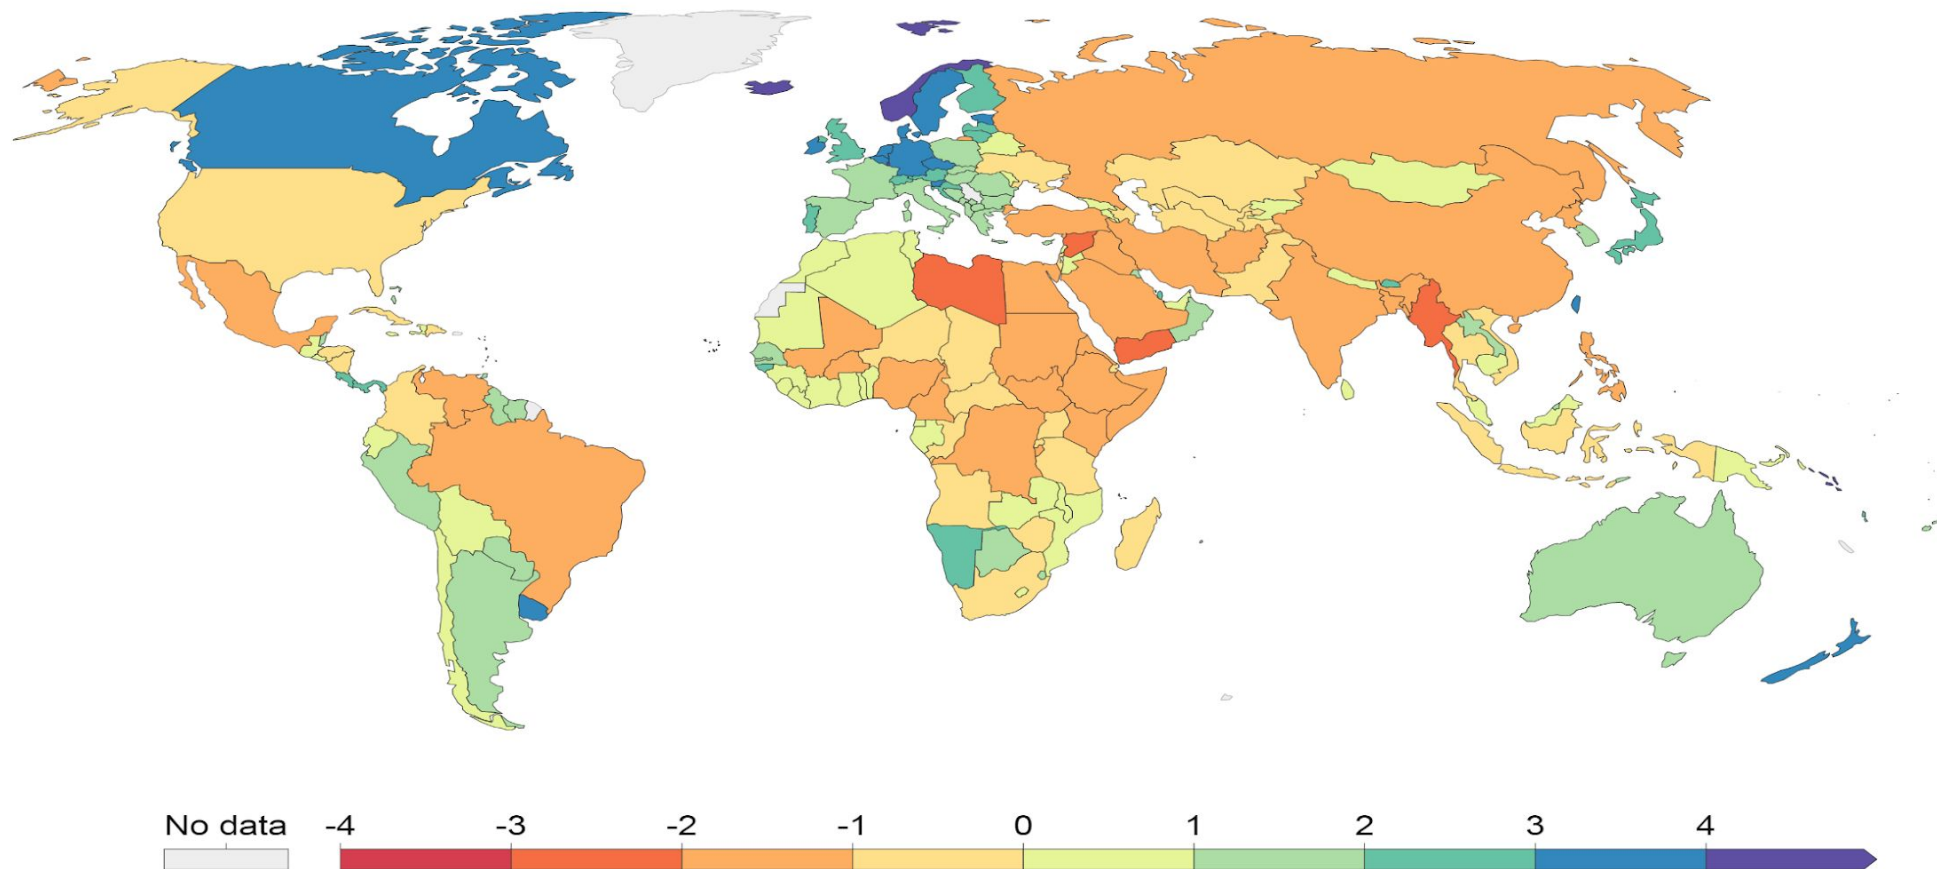

-J B

# Statistics:

## Human rights protection, 2019

The scores capture the extent to which citizens' physical integrity is protected from government killings, torture, political imprisonments, extrajudicial executions, mass killings and disappearances. Higher scores mean fewer such abuses.
